Portraits of
 AN ITALIAN SUMMER

Agostino Iacurci ARCIPELAGO BOTANICO

curated by Valentina Ciarallo

July 2nd - August 31st 2026

ONCE UPON A TIME,
 THERE WAS A GARDEN AMONG COLUMNS.
 NOT AN INVENTION – A MEMORY.
 A HISTORIC LITHOGRAPH TELLS ITS STORY;
 THE CITY GUARDS IT.

WE INVITED AN ARTIST TO BRING IT BACK TO LIFE.
 AGOSTINO IACURCI ANSWERED WITH COLORS,
 CREATING FLOWERING TOTEMS
 ON BOTANICAL ISLANDS

WHICH TOGETHER BECOME AN ARCHIPELAGO,
 THEN A DREAM GARDEN,
 AND FINALLY A SUMMER PIAZZA,
 EMBRACED BY THE VERY SAME COLUMNS.

PORTRAITS OF AN ITALIAN SUMMER
 The rediscovered garden. Portrait Milano, Summer 2026.

THE EVENTS OF THE PIAZZA
