THE FUSION BAR & RESTAURANT

Nel cuore del Gallery Hotel Art, un luogo dove scoprire i protagonisti dell'arte, dai vernissage alle presentazioni di libri fino agli eventi di moda e sentirsi protagonista.

A sedurre le delicate suggestioni della cucina fusion e nikkei del nostro Executive Chef Stellato Peter Brunel ed i cocktail ricercati del team di mixologist pluripremiati.

Ideale per cene private e aperitivi sia negli spazi interni che nella stagione più calda, nella cabana aperta su Vicolo dell'Oro e le installazioni di arte contemporanea dell'hotel.

Experience vernissages, book signings, and the special ambience of this favorite Florentine hangout, inspired by a mix of contemporary design, fashion, art, music, and culinary delights.

Be seduced by the creations of our Chef, who takes you on a journey through the world of fusion and nikkei cuisine and enjoy superb cocktails by our pluri-awarded mixologists.

The Fusion Bar & Restaurant is the ideal location for private dinners and cocktails. During the warm season, the Cabana is opened and the guests can dine in the company of the contemporary art installation of Gallery Hotel Art.
