

Hot List 2015: The Best New Hotels in the World

Written by CNT Editors • April 19, 2015

Our staff and contributors vetted more than a hundred recently opened hotels and resorts, from West Africa to Miami, and found that what stands out are the properties that combine old-school extravagance and service with just the right measure of modernity. Here are the 60 best new hotels in the world.

Portrait Firenze, Italy

On the banks of the Arno, with views of the Ponte Vecchio, the latest property from the Ferragamo hotel group combines an unbeatable location with 36 chic, pared-down rooms. *Category: Urbanist Standouts*
