Florence, Italy

With a hard to beat location along the River Arno, virtually next door to the Ponte Vecchio, this latest hotel from Lungarno Collection (founded by fashionista Ferragamo family), opened on May 1. Paying homage to Italian haute couture of the 1950s, most rooms (all but 4 of 36 are suites, including 6 dedicated “family suites” with babysitters on call) include nifty kitchenettes, balconies, and complimentary iPads.
