TRANSFORMATIVE DESTINATIONS

LIFE ON THE LAKE

The decadent Grand Hotel Tremezzo on Italy's Lake Como celebrates its 115th anniversary this year. To mark the occasion, there are new experiences on offer, whether you're looking to chill out, find your zen or immerse yourself in local culture.

If you need to refresh and rejuvenate, the hotel's gold standard T Spa has a revamped indoor swimming pool. Here, you can enjoy uninterrupted panoramic views and indulge in a signature multi-sensorial Lake Como Sleep Ritual treatment using local botanicals plucked from the shores of the lake. Wellness seekers will love the addition of so-called Woga classes to the workout roster. A portmanteau of water and yoga, these sessions take place as you float in the al fresco heated pool.

A new private boat will take guests on bespoke excursions across the lake, discovering hidden coves and trattorias loved by the locals. Back on terra firma, guests can partake in mixology and culinary masterclasses before unwinding with a glass of wine at the open air cinema nights on the lawn. Cheers to 115 years!

FIRENZE FLAVOURS

Located on the Arno River within Portrait Firenze, Caffè dell'Oro has reopened following an exquisite renovation. Newly appointed executive chef Luca Armellino is in charge. The redesigned bar is the beating heart of the restaurant, with fresh spritzes served for lunch, aperitivo and beyond. The new menu focuses on locally sourced ingredients for true Italian flavours with artisanal flair. Expect refined Tuscan pasta dishes, local meats and sumptuous desserts, all served with unmatched views of the Ponte Vecchio, best enjoyed from the outdoor lounge.
